The image shows a mobile phone screen displaying a web browser interface for Remind101. The browser address bar shows 'https://dashboard'. Below the browser, there is a navigation bar with 'remind101' and a home icon. The main content area features the heading 'Grab Your Phone!' followed by instructions: 'Tell students & parents to grab their phones and follow the steps below to sign up for your FMBC-All members messages.' Below this, there is a graphic of a smartphone with a text message form. The 'To:' field contains '(469) 804-3357' and the 'Message:' field contains '@fmbca'. Red callout boxes point to these fields with the text 'Enter this' and 'Text this'. At the bottom of the graphic, there is a link: 'Learn how to subscribe via email.' and a partially visible link: 'This is your Remind101... We created for you to keep your personal unique class code that we created for your FMBC-All members class. Each class gets one. Give this to your students and parents too.'
